

WAYS TO CONTACT POLICE

- **If it is an emergency please call 999**
- If you wish to contact the Metropolitan Police Service, but do not require an immediate police response please dial **101**. You can call this number any time, 24 hours a day, 7 days a week. Calls to 101 from landlines and mobile networks cost 15 pence per call, no matter what time of day you call or how long the call lasts.
- If you are deaf, hard of hearing or have a speech impairment you can use a textphone to call us. Dial 18000 in an emergency or 18001 101 if your call is not an emergency.
- Our operators have access to professional interpreters so they can quickly translate your call if you cannot, or have difficulty, speaking English.
- Safer Neighbourhoods teams are dedicated to your community and are additional to other policing teams and units in London. If you have concerns about day-to-day crime and disorder issues, or if you would like to get involved, please contact your local team. Safer Neighbourhoods teams are not 24-hour response teams, so if it is an emergency please call 999.
